Supply Coverage

EPIROC

BOOMER PARTS

(L2D & E2C)

High-quality parts for Epiroc Boomer face-drilling jumbos. Built for reliability, engineered for performance.

-  Rock Drill Components
-  Feed & Boom Parts
-  Hydraulic Components
-  Electrical Spares

SANDVIK

TAMROCK PARTS

(DD311 & DT820)

Premium parts for Sandvik development drills. Ensuring maximum uptime and drilling efficiency.

-  Drifter Parts
-  Boom & Feed Assemblies
-  Hoses & Seal Kits
-  Consumables

DRILLING

MACHINE PARTS

We stock quality parts for a wide range of underground drilling machines. Built to deliver consistent performance in the toughest conditions.

- LM100
- CM341
- D25
- D30
- D35
- D40
- D45

SOURCING EXCELLENCE FOR HEAVY MACHINERY SPARES

TRUSTED B2B INDUSTRIAL SUPPLIER

Specializing in the procurement and supply of heavy-duty machinery parts, drilling equipment spares, excavator components, and power transmission components.

DEEP EXPERTISE. STRONG PARTNERSHIPS.

With deep specialization in **Atlas Copco Boomer E2C** spare parts ecosystem, we serve major infrastructure and energy organizations across India, including **Greenko Energy Projects Pvt. Ltd.** and **Megha Engineering.**

Atlas Copco

Epiroc

SANDVIK

TAMROCK

PRECISE TOOLS. POWERFUL PERFORMANCE.

High-performance rock tools and breaker components engineered for extreme conditions.

ROCK TOOLS

We offer a complete range of rock tools for bench drilling, raise boring, coal and mineral cutting, tunneling, trenching, road grading and cold planing.

DOWN-THE-HOLE DRILLING TOOLS

Engineered for deep drilling applications with superior strength and durability.

TOP HAMMER DRILLING TOOLS

Reliable and efficient top hammer drilling tools for maximum penetration and long service life.

HYDRAULIC BREAKERS

Our range of hydraulic breakers is the most comprehensive on the market. Delivering high productivity with low operating costs.

ENGINEERED FOR STRENGTH. BUILT FOR PERFORMANCE.

Premium components and accessories that deliver reliability, durability and peak performance.

BREAKER ACCESSORIES

Rock breaker accessories range from simple, practical auxiliary kits to advanced automatic Ramlube lubrication systems, digital health monitoring Ramdata systems and effective Ram Air dust suppression systems.

BREAKER PARTS & TOOLS

Rock Breaker Parts & Breaker Tools utilize the best raw materials and heat treatment to ensure optimal durability and performance.

HYDRAULIC PUMPS

High-performance hydraulic pumps built for efficiency, durability and consistent power delivery in demanding applications.

LEVER HOLDERS

Ergonomic lever holders designed for precise control, smooth operation and long-lasting performance.

AUTOPIT
ROCK MACHINERY TOOLS

BUILT FOR PRECISION. BACKED BY RELIABILITY.

High-quality components and parts for
smarter drilling and longer performance.

BBC 120 DRIFTER AND PARTS

Rifle-bar actuated rotation motor with eight pawls (four for each direction) that engage or disengage. Easily converted from water flushing to air blowing. Hoses can be placed on either side to protect from unintentional abuse.

JACK HAMMER & SPARE PARTS

Jack hammer is a powerful and versatile medium weight rock drill with a high rate of penetration. Weighing nearly 30 kgs, it is capable of drilling 27mm to 40mm diameter holes with h 22 integral & extension steels upto depth of 6 meters.

BMK62S PUSHER LEG & SPARE PARTS

Designed for drifting and tunneling operations, our Pusher Leg ensures flawless performance and complete freedom of movement. Manufactured to industry norms for inclined drilling.

HOSE PIPES & FITTINGS

High-quality hose pipes for water, air, and fluid transfer in harsh environments. Complete range of fittings, couplings, and adaptors for secure connections and leak-free performance.

WHY CHOOSE US?

Trusted by **100+** clients for quality, reliability and performance.

QUALITY PARTS

Genuine & reliable parts for maximum performance.

FAST DELIVERY

Quick dispatch & on-time delivery, every time.

EXPERT SUPPORT

Experienced team ready to help you anytime.

TRUSTED SERVICE

Built on trust, committed to your uptime.

COMPETITIVE PRICE

Best quality at fair & transparent prices.
